On Thursday, July 12, 2018 at 12:00 p.m., the Dubuque Metropolitan Area Transportation Study (DMATS) will hold a Public Hearing for approval of Final Transportation Improvement Plan (TIP) for FFY 2019-2022, amendment to FFY 2018-2021 Transportation Improvement Plan (TIP) and final FY 2019 Public Involvement Policy Plan (PIP).

The public is invited to submit their input. The Public Hearing will be held at East Central Intergovernmental Association, Community room, 7600 Commerce Park, Dubuque, Iowa. This facility is accessible under the provisions of the Americans with Disabilities Act.

The TIP is prepared and adopted each year and contains projects for the coming four fiscal years. The TIP process is also being used to satisfy the City of Dubuque's Section 5307 program of projects requirement. DMATS *Public Involvement Policy (PIP)* was developed due to a need for proactive citizen involvement in the *Long Range Transportation Plan (LRTP)* and all other planning activities conducted by DMATS. This PIP is developed in hopes that it will promote and encourage citizen involvement in the decision making process.

The Final FFY 2019-2022 TIP, Amended FFY 2018-2021 TIP and FY 2019 PIP are currently available for review at the office of the Dubuque Metropolitan Area Transportation Study, ECIA, 7600 Commerce Park, Dubuque, Iowa.
